## July Monthly Meeting

BY MAX CHERUBIN

IEEE Foothill Section's monthly meeting was held on Aug. 10, 2019 at the same location, Cal Baptist University. The possibility of moving the meeting location to Devry Ontario has been discussed but it's still being look upon.

Students and Young Professionals who attended the meeting were acknowledged for their return. A one-day cyber security summit at CBU and the possible speakers is on the works. Three positions were announced open in the section, namely, Computer Society Chair, EDCAS Chair and Webmaster.

IEEE Southern California Council (ISCC) is still working on transitioning and on deciding with the new San Diego Section Chair if a proxy representative is a need.

### PROFESSIONAL CHAPTER UPDATES

During the meeting, the group discussed a run down of events and activities in each society respectively.

Dr. Frank Freyne of Computer Society is working on a tech talk on 5G and Dr. Sean Monemi of Power & Energy Society is the in-charge of SusTech Poster contest.

The MTT/APS is working on setting up an event about network analyzers having Gerald Herder as the speaker. CPP WIE is looking at coordinating an event with CPP SWE.

The Young Professionals is waiting for a coordination meeting between their Chair and Vice Chair. They're also looking at doing another bar social event and other possible event at Bootleggers such as microbrewery tour.

The Consultants Network headed by Cash Sutton III is still planning to have its first meeting next month.
