## July ExCom Meeting

BY MAX CHERUBIN

IEEE Foothill Section held it's Executive Committee Monthly Meeting on July 9, 2019 at California Baptist University.

The committee discussed about the upcoming Cyber Security Summit and are looking for interested volunteers. A motion was made as well to create a Social Media and Publicity Committee. Richard Carrasco was the elected Chair and he will be given access to the section website as one of his functions.

to be continued on page 2

## CORPORATE SPONSORSHIPS

### PANATRON, INC.

We're looking for more corporate sponsors.  
 For information, please contact:  
 Chapter Chair David Gonzales (DavidGonzalez@ieee.org)  
 Vice Chair Alberto Tam Yong (alberto.tamyong.us@ieee.org).

## STUDENT CHAPTER

WIE CSUSB UPDATE BY QUIMPIE TUADA

# July ExCom Meeting

from page 1

On the other hand, Richard Carrasco is training Cody Simons to be the new chair of Young Professionals. Section Chair David Gonzalez also offered to assist him with coordinating events.

Dr. Tim Lin, Computer Society Chair, has already resigned and Kimberly Mosley will have to notify all CS members regarding the open position.

The write up for the Futures in Engineering Conference hosted by CSUSB back in April is now available on the section website. An article was also posted regarding the seminar in April by the joint IEEE Foothill / Orange County Section Nanotechnology Council (NTC) Chapter and IEEE Foothill CPP Student Chapter.

MTT/APS is trying to set up a tech talk about Field Fox Vector Analyzer sometime in September at CPP. Details will be announced once finalized.

The committee acknowledges CSUSB's Women in Engineering for winning the Best New Academic Section award. Also in response to our call, a new roster of cabinet members from our Student Chapters will soon be available.
